Join CCPM on **Saturday, October 28 from 11:00 a.m. – 12:00 noon** at the court house in downtown West Chester (Market & High Streets) as we hold another “Theft of War” protest while collecting toiletries/supplies (*travel-size items such as shampoo, deodorant, soap, toothpaste, toothbrushes, hats, gloves, underwear, socks, etc.*) to be distributed to The Philadelphia Veterans Comfort House, which has been serving homeless veterans for 22 years. (website: <http://philadelphiaveteranshouse.org/services/>)

Nearly 39,500 veterans are homeless on any given night! By October of next year, the Pentagon’s share of the wars in Afghanistan, Iraq, and Syria will have collectively cost taxpayers **more than \$1.5 trillion**, according to the Defense Department’s figure -- money better spent to help veterans suffering from PTSD, addiction, homelessness, and poverty!

The president campaigned against the stupidity of the Iraq war, and now he is threatening to engage the U.S. in World War III. **SAY NO TO WAR WITH KOREA and IRAN!** Come out with your signs and protest the trillions of dollars spent over the last 16 years of this endless war!

WAR NO MORE!!

End Homelessness

**“Every GUN that is made, every WARSHIP launched,
every ROCKET fired signifies, in the final sense,
a theft from those who HUNGER, and are not fed,
those who are COLD and not clothed.”**

Dwight D. Eisenhower

Mission

The Chester County Peace Movement (CCPM) is a coalition of people working toward a peaceful and just world by promoting peace and justice internationally, nationally, and locally; bearing witness for peace and justice; educating and informing the public about peace and justice issues and events; and supporting the welfare and dignity of military personnel and their families.
